

M.S. HOSPITAL & RESEARCH CENTRE
PRACTICAL INDEX

Course: B.P.T. 3rd Semester

Subject Code: BPT-202, Subject: Electrotherapy I

S.NO.	Demonstration date	Name of Practical	Return Demonstration date	Signature of Demonstrator	Remark
1.		To demonstrate positioning and evaluation of patients			
2.		To demonstrate testing of the electrotherapy modality			
3.		To demonstrate electrode placement of different electrotherapy modalities			
4.		To demonstrate electrical stimulation of muscles supplied by peripheral nerves			
5.		To demonstrate technique of treatment of various heating modalities			
6.		To demonstrate technique of application of IRR			
7.		To demonstrate technique of application of UVR			

M.S. HOSPITAL & RESEARCH CENTRE

PRACTICAL INDEX

Course: B.P.T. 3rd Semester

Subject Code: BPT-201, Subject: Exercise Therapy I

S. NO.	Demonstration Date	Name of Practical	Date of Return Demonstration	Signature of Demonstrator	Remark
1.		To demonstrate Starting and Derived positions			
2.		To demonstrate technique of application of Passive Movement			
3.		To demonstrate technique of application of Active movement			
4.		To demonstrate Relaxation Technique			
5.		To demonstrate Message Technique			
6.		To demonstrate Manual Muscle Testing(MMT)			

M.S. HOSPITAL & RESEARCH CENTER

PRACTICAL INDEX

Course: B.P.T. 3rd Semester

Subject Code: BPT-203, Subject: Biomechanics & Kinesiology II

S. NO.	Demonstration date	Name of Practical	Date of Return Demonstration	Signature of Demonstrator	Remark
1.		To demonstrate biomechanical analysis of:- (i) Shoulder Joint (ii) Elbow Joint (iii) Wrist Joint (iv) Finger			
2.		To demonstrate biomechanical analysis of :- (i) Hip Complex (ii) Knee Complex (iii) Ankle complex			
3		To demonstrate biomechanical analysis of:- (i) Cervical spine (ii) Thoracic Spine (iii) Lumbar Spine			

MS HOSPITAL & RESEARCH CENTRE

PRACTICAL INDEX

Course: B.P.T 4TH Semester

Subject code: BPT 207, Subject: Exercise Therapy II

S.NO	Demonstration date	Name of Practical	Date of Return demonstration	Signature of Demonstrator	Remark
1.		Demonstrate the Joint mobilization to individual joints.			
2.		Demonstrate the PNF Pattern of upper and lower limb.			
3.		Demonstrate the Various types of breathing exercises, chest mobilization exercise, postural drainage.			
4.		Demonstrate the Gait training with various walking aid. Axillary crutch, Frames.			

MS HOSPITAL & RESEARCH CENTRE

PRACTICAL INDEX

Course: B.P.T 4TH Semester

Subject code: BPT 208, Subject: Electro Therapy II

S.NO	Demonstration date	Name of Practical	Date of Return demonstration	Signature of Demonstrator	Remark
1.		Demonstrate treatment technique using SWD (Short wave diathermy)			
2.		Demonstrate the application of ultrasound and various methods of application.			
3.		Demonstrate the treatment technique using PSWD.			
4.		Demonstrate the plotting of SD curve
